

Miscellaneous Unskilled Labor

This is a temporary position that acts in a support role for various areas of the cooperative and is under the supervision of the Manager of Member Services & IT. The miscellaneous unskilled worker will perform a variety of duties, such as assisting with installation/service of generators, load management and solar. The role would also support warehouse personnel with the receipt, disbursements, and storage of materials, and other tasks as assigned.

PEC's normal work schedule is Monday through Friday, 7:00 a.m. to 3:30 p.m. Starting wage per collective bargaining agreement is \$20.06/hour. This position is not eligible for benefits.
