PRICE ELECTRIC COOPERATIVE ANNUAL MEETING

**Thursday, June 6, 2024
Phillips High School**

Dinner: 5 p.m.

**Member meeting:
6 p.m.**

*"Together, we will
continue to innovate,
adapt, and thrive in the
ever-evolving energy
landscape."—Jeff Olson,
President/CEO*

**For quick and easy registration
at the annual meeting, bring the
address label from this magazine.**

OFFICIAL NOTICE

of Price Electric Cooperative's 2024 Annual Meeting

The 84th annual meeting of the members of Price Electric Cooperative (PEC) will be held on Thursday, June 6, 2024, beginning at 6:00 p.m. in the Phillips High School Auditorium, located in the City of Phillips, Wisconsin. The cooperative will provide mail-in ballots for the director elections at least 7 days in advance. Please note director election mail-in ballots must be received by noon on Wednesday, June 5, 2024.

1. Reports of officers, directors, committees, and employees.
2. The election of three directors, one each to represent Districts 4, 5, and 6 on the Board of Directors.
3. Such other business as may come before the meeting or any other adjournment thereof.

PRICE ELECTRIC COOPERATIVE: A YEAR IN REVIEW

**Price Electric
Cooperative**

Your Touchstone Energy® Partner 

As we bid farewell to another eventful year, it's time to reflect on the milestones, accomplishments, and challenges that shaped Price Electric Cooperative (PEC) over the past year. From technological advancements to community outreach initiatives, let's take a journey through the highlights of the past year.

Word of the Year – Each year we select a word of the year that we focus our attention on regarding the culture here at PEC. Our training and marketing initiatives are directed for the most part by this word and this year our word is “Empower”. Empowering our employees, directors, and our members is our goal this year.

Electric Vehicle (EV) Fast Chargers – In a move towards sustainability and embracing the future of transportation, Price Electric Cooperative spearheaded the installation and commissioning of a Direct Current Fast Charger (DCFC) at the Prentice Truck & Travel Center. This initiative not only encourages the adoption of electric vehicles but makes the Northland a destination for EV owners.

PEC partnered with Dairyland Power Cooperative last year in a proposal through Senator Baldwin's office to install a NEVI (National Electric Vehicle Infrastructure) compliant charging station with a solar canopy and a Battery Energy Storage System (BESS) at the Prentice Truck & Travel Center. We were notified in early March that our project funding was approved. This exciting project will supply a minimum of (4) 150kW DCFC supported by solar and a battery to provide backup power during outages and distribution network system reliability.

Load Management Modernization (LMM) Project and Smart Hub Redesign – The past year witnessed significant strides in enhancing our technological capabilities. The launch of the LMM Project, coupled with the redesign of our Smart Hub, marked a pivotal moment in streamlining operations and improving member experiences. These advancements empower our members with greater control over their energy usage while paving the way for a more efficient and resilient cooperative.

New Member Services: ETS and Plenum Heater Repairs – At Price Electric Cooperative, our commitment to serving our members extends beyond infrastructure development. Throughout the year, we continued to prioritize member satisfaction by offering essential services such as Electric Thermal Storage (ETS) and Plenum Heater repairs. These initiatives underscore our dedication to ensuring the comfort and well-being of our members, particularly during the harsh winter months.

We also continue to sell, service, and install Generac generators and have had a great response to this service from both Members and non-members alike.

Ogema Solar – In 2024, Price Electric Cooperative proudly unveiled the 1.4MW Ogema Solar project, a testament to our ongoing commitment to renewable energy. This solar installation

not only diversifies our energy portfolio but also contributes to reducing our carbon footprint.

Loren's Retirement – Sadly, we bid a fond farewell to Loren, PEC's Finance Manager, as he will embark on a well-deserved retirement in June after years of dedicated service to our cooperative and community. Thank you, Loren.

Charitable Donations and Community Support – As a cooperative deeply rooted in our community, giving back remains at the core of our values. Throughout the year, PEC made numerous charitable donations, supporting organizations such as the YMCA of the Northwoods, Elk Lake Park Playground, and Ogema Pioneer Park. These contributions reflect our unwavering commitment to fostering growth, resilience, and prosperity within our community.

ROW Brushing, Clearing, and Herbicides – In our ongoing efforts to ensure reliable and uninterrupted service, PEC continued its Right-of-Way (ROW) brushing, clearing, and herbicide programs. By targeting specific areas prone to vegetation encroachment, we mitigate potential hazards and maintain the integrity of our infrastructure. This proactive approach underscores our commitment to safety and reliability for our members, and I am pleased to report that the lower outage metrics validate these programs.

Projects on the Horizon – Looking ahead, Price Electric Cooperative remains dedicated to innovation and progress. In the coming year, we are excited to launch an EV Program for residential members, further incentivizing the adoption of electric vehicles and sustainable energy practices. Additionally, we are embarking on a bill redesign and modernization initiative aimed at enhancing transparency, efficiency, and user-friendliness.

As we reflect on the past year and look forward to the opportunities that lie ahead, Price Electric Cooperative reaffirms its commitment to serving our members, supporting our community, and leading the way towards a more sustainable future with a continued focus on energy reliability. Together, we will continue to innovate, adapt, and thrive in the ever-evolving energy landscape.

Jeff Olson, President/CEO

2023 EXPENSES

MEET YOUR CANDIDATES

DISTRICT 4

Randy Kunsch

Randy lives in the township of Worcester in Phillips. Randy has one daughter and is the proud grandpa of two granddaughters, Maddy and Emmy. Randy has been a member of Price Electric Cooperative since 1987. He has served as District 4 director since 2012 and has served as the chairman of PEC Board of Directors since June 2019.

Randy retired after being employed for 39 years as a public-school teacher in the state of Wisconsin with the last 28 of those years in Phillips. As a public-school teacher, Randy gained experience working with the public and cooperating with others, listening to all ideas expressed, and building consensus. He is a former Knight of Columbus, and a retired Wisconsin Education Association member. Randy enjoys watching sports (especially the Green Bay Packers, Wisconsin Badgers, and Milwaukee Brewers). Randy is also an avid reader.

As the director for District 4, Randy's goals are to give members easy access to communicate with him and to work with the other directors to ensure the cooperative effectively serves its members today and for future generations. He stated, "The future is filled with limitless possibilities; it is up to us to seize them."

DISTRICT 5

Mitch Melves

Mitch and his wife, Sarah, live in the township of Elk in Phillips with their four daughters. Mitch grew up in Phillips and after high school attended Indianhead Technical College. In 2000, Mitch started managing Carpenter Creek Farms and in 2014 he became a welding instructor at Northcentral Technical College (NTC); he is currently employed both as an instructor and a beef and crop farmer. Previously, he was a dairy farmer for 22 years.

He is a poll worker for the Town of Elk and has been for over 20 years. Mitch also volunteers at his church, with NTC's Get Smart Youth Program, and with the 4-H Club. Since operating a family-owned business Mitch believes he understands the importance of having checks and balances along with keeping everything in line. Through his experience as an instructor and poll worker, he can work and communicate with a broad spectrum of people.

DISTRICT 6

Karen Newbury

Karen and her husband, Keith, reside in the township of Lake in Park Falls. Karen and Keith have two children and one grandson, Gavin. They have been members of the cooperative since 1993 and Karen has served as District 6 director since 2015. Karen also serves on the Dairyland and Wisconsin Electric Cooperative Association (WECA) boards on behalf of Price Electric. She also volunteers on the NRECA Directors Advisory Committee representing electric cooperatives.

Karen and her sister have owned and operated Kountry Kafe & Katering in Fifield since 1995. She is active in the community, having served on the Education Committee and organizing fundraisers for St. Anthony's School for seven years, as well as acting as the current treasurer for the Butternut Trail Midgets ATV Club and as a board member on the Price County Tavern League. She is a certified ATV safety instructor and teaches a safety class each spring.

Karen has enjoyed the past nine years on the PEC board and appreciates the opportunities she has had working on affiliate boards with Dairyland and WECA. She says she is most proud of her time on the WECA board, as they work diligently to educate members on current affairs. Karen has networked with state representatives and feels they have many programs that cooperatives can benefit from. Karen would like to continue serving as your District 6 director and will work hard to bring fellow members safe, reliable, and reasonable electricity.

Juanita Surman

Juanita lives in the township of Flambeau in Fifield with her husband, Mitch. They have been members of Price Electric Cooperative since 1993. They are the parents of two children. Their eldest and only son lost his battle with cancer at age 25 years in May of 2022. Juanita holds a B.A. in psychology from the University of Texas at Austin and a Master of Human Services from St. Edward's University in Austin, Texas.

Juanita is currently employed at Price County Health and Human Services. She has over 20 years of experience working in Child Protective Services in Texas and Wisconsin. Juanita previously worked for the Wisconsin Department of Health & Family Services providing administrative, fiscal, and program supervision to 11 counties and four tribes regarding their Families and Children's programs, and as the housing manager for Aspirus Pleasant View working with elderly and people with disabilities. Juanita was a board member for the Counseling & Development Center for six years. She also served as a committee member in several nonprofit organizations.

When asked why she is the best choice for the PEC board, Juanita said, "Having worked with people with disabilities and the elderly, and having been the parent of a disabled son, I understand how having dependable energy impacts quality of life for our most vulnerable population. The Price County community has been amazingly supportive of my family, and I would like to give something back. I hope to utilize my critical thinking skills to help solve issues that negatively impact affordable service delivery."

VOTING RULES AND PROCEDURES

1. The meeting will be conducted in accordance with Robert’s Rules of Order Newly Revised, except as specifically modified below.
2. Only members will be recognized by the Chair. Members will be recognized by their voting cards received at registration for the meeting.
3. Members should give their name and township when speaking. Each member’s comments will be limited to three minutes with any rebuttal limited to two minutes.
4. Advisory resolutions not submitted to the Rules Committee prior to the March 11, 2024, published deadline for resolutions will not be considered.

All voting will be by delegate voting card; there will be no voice voting.

VOTING FOR DIRECTORS

Ballots will be mailed to all Price Electric Cooperative members. Please mail the ballot back or drop it off at the Price Electric office or in the payment drop box in Phillips. Ballots are due by noon on Wednesday, June 5, 2024. Ballots will be available at the annual meeting for members who did not turn in their mailed ballot. Only members who have not turned in a ballot will be eligible to vote at the meeting. There is one ballot allowed per membership.

PRICE ELECTRIC COOPERATIVE 2023 ANNUAL MEETING MINUTES

The Phillips High School Auditorium, Phillips, Wisconsin, was the meeting place for the 83rd annual meeting of the membership of Price Electric Cooperative on June 8, 2023.

The meeting was called to order at 6:02 p.m. by Chair Randy Kunsch.

Director Matt Christianson led the membership in saying the Pledge of Allegiance.

Director Mark Nyberg gave the invocation.

Chair Randy Kunsch declared a quorum with the registration of 99 members at the meeting.

Chair Randy Kunsch welcomed the audience and introduced Price Electric President/CEO Jeffrey Olson, Olson introduced Attorney John Behling. Behling introduced WECA representative Dana Kelroy who was in attendance.

Attorney John Behling reviewed the information provided to the membership upon registration this evening: the Annual Meeting Rules and Voting Procedures.

Motion was made by Doug Rasmussen, seconded by Clement Johnson, to approve the meeting rules and voting procedures as presented. Motion carried.

Attorney John Behling read the notice of meeting and proof of mailing.

Motion by Abbey Lapp seconded by Michael Atkinson. to approve the minutes of the 2022 annual meeting as printed in the May, 2023 issue of the Wisconsin Energy Cooperative News. Motion carried.

Attorney John Behling explained the nomination and voting procedures for directors.

Behling announced the tellers. Price Electric Cooperative employees, Theresa Raleigh, Sheila Stickley, Evan Harding, and Jennifer Janak were appointed to serve as tellers for the director elections.

Ballots were collected for the director elections.

Olson introduced Abby Williamson from CarlsonSV, who presented the audit report.

Olson presented the CEO report.

Olson and PEC staff took questions from the audience.

Behling then announced the results of the director elections to the membership. The results were as follows:

District 7 – (uncontested) Bob Hennes, 577

District 8 – (uncontested) Wm. Scott Haggard, 560

District 9 – (uncontested) Matt Christianson, 585

Unfinished Business. None.

New Business. None.

Prize drawings.

The grand prize drawing was held for a fire ring. Winner: Sandy Kilty.

Motion was made by Annabelle Gosz, seconded by Judy Ferre to adjourn the meeting. Motion carried. The meeting was adjourned at 7:45 p.m.

2024 MEMBER PHOTO CONTEST

PEC's member photo contest is back! Members are invited to submit photos for inclusion in the 2025 calendar. Submitted photos may also be used in future newsletters or publications.

Photo Contest Criteria:

- Photos must be taken within the Price Electric Cooperative service area.
- Photos should capture life in northern Wisconsin (seasons, wildlife, landscape, etc.)
- Photos must have a horizontal (landscape) orientation.
- Photos can be in color or black and white.
- Photos must be high resolution—at least 300 dpi and 8"x10".

Photo Contest Rules and Details:

- Photos must be submitted by July 31, 2024.
- Three (3) photos per member will be accepted.
- All PEC members 18 years and up are eligible to submit photos.
- A PEC member under 18 is eligible to participate but must submit a parent/guardian form with entry.
- A completed entry form must accompany each photo.
- Member must own rights to photo.
- PEC employees and PEC's Facebook page will determine the winning photos.

* Entry forms and parent/guardian forms can be found on the PEC website, picked up at the PEC office, or emailed upon request.

Photo Contest Entry Options:

- **Email:** memberservices@PriceElectric.coop
- **Mail:** PO Box 110, Phillips, WI 54555
- **Drop Off:** Price Electric Cooperative Office—W6803 Springs Drive, Phillips, WI 54555
- **Enter online** at www.PriceElectric.coop in the Programs tab under Member Photo Contest
