# BOARD LEADERSHIP COMPLETION

Recently, PEC District 5 board member, Mitch Meives, completed the National Rural Electric Cooperative Association's (NRECA) Board Leadership Program. This program consists of a series of courses that educate cooperative board members about risk management, power supply, parliamentary procedure, and cooperative development. Mitch has completed the credentialed cooperative director program and earned ten credits from the board leadership courses to earn this certificate. The courses that Mitch has completed help to ensure that the PEC board has a diverse set of knowledge and skills. Thank you, Mitch, for your commitment to PEC and its members.

## MEMBER RESOLUTION NOTICE

### Deadline for Resolutions

Please take notice that pursuant to Article III of the Bylaws, the Board of Directors of Price Electric Cooperative has set March 10, 2025, as the deadline for submission of advisory resolutions relating to the affairs of the Cooperative. Any member wishing to submit an advisory resolution for consideration by the members must submit their proposal to the Rules Committee by this deadline for review prior to the 2025 annual meeting. Proposed advisory resolutions must be received at Price Electric Cooperative's headquarters office in Phillips, Wisconsin, by 4 p.m. on March 10, 2025. Resolutions submitted after this date will not be considered for member approval and resolutions will not be accepted from the floor at the 2025 annual meeting.

## REMINDER: Final PEC Puzzler Next Month

March will be the last month this magazine will have a PEC puzzler. Starting in April, PEC will start quarterly giveaways instead. The giveaways may be bill credits or gift baskets and will be run in conjunction with the PEC Facebook page. Two winners will be drawn at the end of the first month of each quarter, one from Facebook and one from this magazine. Watch your April magazine for more details!
